

Brenda Carter
State Representative
District 29

Dear neighbor,

I am honored to serve as the representative from the 29th House District, and I wanted to take the time to reach out to you formally in my new capacity. I am as committed to improving our community as I have always been and I'm proud to be a strong advocate in Lansing for the families of Auburn Hills, Keego Harbor, Orchard Lake Village, Pontiac and Sylvan Lake. I wanted to take this opportunity to share my legislative priorities with you.

Please feel free to reach out to my office if you would like to offer your input, or if you are ever in need of assistance. I look forward to continuing to work with you in my efforts to serve the people of our communities.

Sincerely,

The Legislative Priorities for House District 29

I believe that our community and state are stronger when ALL citizens have access to the tools, resources and opportunities they need to succeed. That starts with:

Investing in education for all Michigan students through quality early education programs, additional per-pupil funding and increasing financial aid for college tuition

Protecting and expanding health care for Michigan families by making prescription drugs more affordable, holding wealthy drug manufacturers accountable when their products are harmful, and protecting health care for low-income families and those with pre-existing conditions

Building a robust and reliable infrastructure to ensure everyone in our state has access to safe drinking water, clean air and better roads and bridges

Growing our economy through expanding access to workforce training, supporting small businesses and addressing income inequalities
